- The promotion runs from 1st May 2019 to 31st July 2019 inclusive.

3. How do you enter?

- To be included in the promotion, **companies must be a registered drive partner (RDP)** and have at least one member of staff [sign up](#) for the promotion. If you are not a RDP, complete our '[registered drive partner](#)' form to participate. **Unless an individual is a RDP, they cannot be a winner.**
- The promotion is a points-based one, with one point earning the participating company one entry in the grand prize draw, plus the relevant monthly draw. Points/entries accrue from the start of the month that the first person from a company signs up to participate in the promotion. Involvement in the promotion implies acceptance of these Ts&Cs.
- One point/entry is awarded for every £5000 (or equivalent) spent with Exertis Hammer on bare drives and/or JBODs for the following brands: Intel, Samsung, Seagate, Toshiba, Toshiba Memory and Western Digital (WD, HGST and SanDisk).
- Free prize draw entry: companies signing up for the promotion during the last week of April will be automatically awarded one free prize draw entry when they earn their first entry.

4. How will the winners be selected?

 - Entries accrued between 1st - 31st May by participating companies
 - Entries accrued between 1st - 30th June by participating companies
 - Entries accrued between 1st - 31st July by participating companies
- A grand prize draw (consisting of all the monthly prize draw entries) will take place at the end of the promotion with seven further spaces awarded. Winning entries will be drawn independently and at random from all of the monthly entries above.
- Monthly prize draws will take place at the start of June, July and August. The grand prize draw will take place at the start of August and winning companies will be notified directly. Companies have the opportunity to win a maximum of two spaces.
